

Certification for Non-Dangerous Goods (NON-HAZARDOUS) & (NON-FLAMABLE)

Address: EFFEKTA Regeltechnik GmbH
Rheinwaldstr. 34
D- 78628 Rottweil
Germany

Product description: **BT & BTL Series VRLA Batteries**

Models: BT & BTL 6V and BT & BTL 12V

We hereby certify that BT & BTL 6V and BT & BTL 12V series VRLA batteries are non-hazardous materials for Air/Sea transportation in any nature. These batteries are conform to:

**UN2800 Special Provision A67 and
IATA Packaging Instruction 872**

The batteries are packed in such a manner as to prevent short circuits and to prevent movements that would lead to short circuits.

Rottweil, 2012.04.23
